You put your final suit on

I weep and say, "Goodnight, love"
While my organs pack it in

Parsley, sage, rose-mary, and thyme.

Am **C** **G**
Remember me to one who lives there.

Am **G** **Am**
She once was a true love of mine.

MAN

Tell her to make me a cambric shirt
Parsley, sage, rosemary and thyme
Without any seam nor needlework
And then she'll be a true love of mine

Tell her to wash it in yonder dry well
Parsley, sage, rosemary and thyme
Which never sprung water nor rain ever fell
And then she'll be a true love of mine

Tell her to dry it on yonder thorn
Parsley, sage, rosemary and thyme
Which never bore blossom since Adam was born
And then she'll be a true love of mine

Ask her to do me this courtesy
Parsley, sage, rosemary and thyme
And ask for a like favour from me
And then she'll be a true love of mine

BOTH

Have you been to Scarborough Fair?
Parsley, sage, rosemary and thyme
Remember me from one who lives there
For he once was a true love of mine

WOMAN

Ask him to find me an acre of land
Parsley, sage, rosemary and thyme
Between the salt water and the sea-sand
For then he'll be a true love of mine

Ask him to plough it with a lamb's horn
Parsley, sage, rosemary and thyme
And sow it all over with one peppercorn
For then he'll be a true love of mine

Ask him to reap it with a sickle of leather
Parsley, sage, rosemary and thyme
And gather it up with a rope made of heather
For then he'll be a true love of mine

When he has done and finished his work
Parsley, sage, rosemary and thyme
Ask him to come for his cambric shirt
For then he'll be a true love of mine

BOTH

If you say that you can't, then I shall reply
Parsley, sage, rosemary and thyme
Oh, Let me know that at least you will try
Or you'll never be a true love of mine

Love imposes impossible tasks
Parsley, sage, rosemary and thyme
But none more than any heart would ask
I must know you're a true love of mine

Piano Man

Long Harmonica, Piano Interlude

It's nine o'clock on a Saturday
The regular crowd shuffles in
There's an old man sittin' next to me
Makin' love to his tonic and gin

SHORT HARMONICA

He says, "Son, can you play me a memory?
I'm not really sure how it goes
But it's sad and it's sweet, and I knew it complete
When I wore a younger man's clothes"

La, la-la, di-di-da
La-la, di-di-da, da-dum

Sing us a song, you're the piano man
Sing us a song tonight
Well, we're all in the mood for a melody
And you've got us feelin' alright

SHORT HARMONICA, PIANO INTERLUDE

Now John at the bar is a friend of mine
He gets me my drinks for free
And he's quick with a joke, or to light up your smoke
But there's some place that he'd rather be

He says, "Bill, I believe this is killing me"
As a smile ran away from his face
"Well, I'm sure that I could be a movie star
If I could get out of this place"

Oh, la, la-la, di-di-da
La-la, di-di-da, da-dum

Now Paul is a real-estate novelist
Who never had time for a wife
And he's talkin' with Davy who's still in the navy
And probably will be for life

SHORT HARMONICA

And the waitress is practicing politics
As the businessmen slowly get stoned
Yes, they're sharing a drink they call loneliness
But it's better than drinkin' alone

PIANO SOLO

Sing us the song, you're the piano man
Sing us a song tonight
Well, we're all in the mood for a melody
And you've got us feelin' alright

SHORT HARMONICA

PIANO INTERLUDE

PIANO

It's a pretty good crowd for a Saturday
And the manager gives me a smile
'Cause he knows that it's me they've been comin' to see
To forget about life for a while

PIANO CRESCENDO INTERLUDE

FORTE

And the piano, it sounds like a carnival
And the microphone smells like a beer
And they sit at the bar and put bread in my jar
And say, "Man, what are you doin' here?"

Oh, la, la-la, di-di-da
La-la, di-di-da, da-dum

Sing us the song, you're the piano man
Sing us a song tonight
Well, we're all in the mood for a melody
